

Director of Product Design / Principal Designer

Andrew J Clark

Aloha!

I am product design leader based in Oregon. With a background in film, animation, development, and UI/UX design, I am now focused on building kick-ass design teams.

Key Work

SiriusXM | Dir. of Product Design / Principal Designer

2020 - Present

- Led design projects across SXM & Pandora products, including redesigning the marque SiriusXM listening app for iOS, Android and Web.
- Implemented modern design sprints and testing practices. Presented design systems, features, initiatives to executive, engineering and product teams.
- Managed 6 direct reports.

Stitcher | Director of Product Design, Designer, Developer

2016 - 2020

- Led major redesign and re-platforming of the Stitcher app, website, and backend services.
- Implemented modern design practices, AGILE development and improved company culture.

Midroll | Senior iOS Developer and UX Designer

2014 - 2016

- Designed and developed the Howl podcast listening app, website, and product vision.

Freelance Developer, Designer (2010 - 2014)

2010 - 2014

- Worked as a contract iOS Developer, UX Designer, motion designer, and video Editor. Released a unique calculator app Numerical: The Calculator without Equal, reaching lifetime downloads of 500k.
